Parents and Classcraft

Part 2: Logging in

To Login: use your email and password to log back in.

- Go to: classcraft.com
- Use the email and password you used when setting up your account. DO NOT use the registration code.

Here is an example:

- Go to the TOP RIGHT to Login

- Choose username or email

- Enter the email and password you used when setting up your account

- If this is the first time, you will receive a confirmation email.
Then, when you login, you will automatically be linked to your child’s account.
You can now see:

- Your child’s Character Dashboard, including how many points they have.
- Their Quests and which objectives they have done
- You can contact Classcraft if you need help
